## Antioch Students To Attend Seminar

Students from Antioch schools have been invited to attend the Thirteenth Annual Chemistry Career Seminar to be sponsored by the Chemical Industries Council-Midwest.

The seminar will take place on Saturday, Jan. 10, 1970 at the Pick-Congress Hotel, Chicago.

Students from Chicago are public, private and parochial schools have been invited to attend the all-day event, which will be held from 8:30 a.m. until 3:00 p.m.

The seminar will open with orientation sessions covering careers in the chemical industry. Through special films and panel sessions, the basic career areas in the industry, research, production, marketing and miscellaneous job categories will be covered.

Following the general orientation, counselors from chemical and pharmaceutical companies located in the Chicago area will outline the requirements for a career in chemistry to students in person-to-person interviews. Colleges and universities in the area will also be represented by counselors.

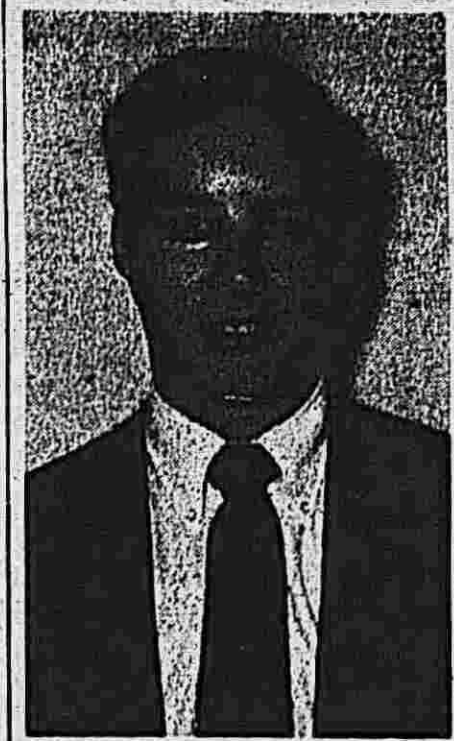

Over 700 students from Chicago area schools are expected to attend. Over 150 counselors and host-guides will participate.

In addition to learning how they may qualify for careers in chemistry, students attending the seminar will have an opportunity to see chemistry in action at the special displays and demonstrations planned by some of the (Continued on page two)

## 41 New Citizens Take Oath

Forty-one new citizens, including two from the Antioch area, representing nearly two dozen nations took the oath of allegiance during ceremonies Thursday, Nov. 20, in the Lake County administration building, Waukegan.

He had just returned from a week at the American Institute of Banking in Chicago where Bonnie Eder also spent a week in training.

## Lake Towns Highlight Bell Plans

Major telephone service improvements for the "Lake towns" highlight Illinois Bell's construction plans for the next few years, according to Don Amundsen, Manager.

"We'll make touch-tone (push-button) dialing available and eliminate the need to dial a special digit before making 'extended area' calls to nearby communities," Amundsen said. "Since equipment installation

problems vary from community to community, the improvements must be made on a gradual basis," Amundsen said. "We'll start with Round Lake, Fox Lake and Grayslake, providing touch-tone service by the end of June 1970. Lake Villa is not scheduled for touch-tone until 1971 because a building addition is necessary to house the additional telephone switching equipment required." (Continued on page two)

## County Board Action

Three resolutions were adopted by the Lake County Board of Supervisors during a special session held Wednesday, Nov. 19, which, in effect, commit the county to a multi-million dollar road construction program over the next five years.

County Highway Superintendent M. Amstutz made a lengthy presentation to supervisors before votes were taken on the resolutions. He outlined proposed freeways, upgrading of existing roads, population and motor vehicle registration projections, and the amount of money to be allocated to Lake County out of the \$2-billion Illinois Highway Improvement bond issue.

Amstutz told supervisors the County, in order to receive the allocation, must provide between \$20-million and \$30-million toward completion of the proposed \$266-million program. He said such a bond issue would be paid off without an increase in present rates through motor fuel tax rebates to the County. This hinges on establishing the constitutionality of House Bill 445 which has been signed into law. The bill allows counties to float bonds without referendum to be retired by MFT refunds.

According to the superintendent, Lake County will receive \$204-million from the State for work on the proposed 87 miles of freeway and total 353 miles of

construction and improvements. Two-thirds of the work is to be finished in three years.

All three resolutions, to provide for the joint State-County project, authorization to engage consulting engineers for design of the system, and for the State's Attorney to test the constitutionality of HB 445 for issuing the bonds, passed the Board unanimously. As one supervisor put it, "Based on population projections I don't think we have any choice but to go ahead with this plan."

Assistant supervisors on the Lake County Board banded together during a special session Nov. 19 to defeat a resolution aimed at appointing a committee to begin work on the reapportionment of the county.

Board Chairman Robert W. Depke had promised to create the special committee this month. His resolution called for naming all 18 township supervisors.

Immediately after being introduced, the motion came under attack. Assistant Supervisor Samuel Smith of Deerfield Township said the resolution made assistants second class members of the Board. He suggested a smaller committee, representing a cross section of the most qualified.

A motion by Roland J. Sandee, Waukegan Township assistant supervisor, that a weighted vote

plan be used in deliberations by the proposed committee was rejected. Chairman Depke told the board, "The intent behind the appointment of the 18 supervisors was to have representation on the reapportionment committee from each township."

Supervisor Ronald Coles of Lake Villa said he thought the appointments premature and the size of the committee too big.

Once the voice vote got underway the room became charged with excitement. Assistant supervisors began cheering and clapping each time another "nay" was recorded. Assistant Supervisor Joseph Nemanich rose to speak when it was his turn to vote. He told the assembly, "As dean of the assistant supervisors and a member of this board for 20 years I don't consider myself a second class citizen." Nemanich nearly brought down the house when he shouted, "We have enough votes to clobber 'em!'"

The vote was 21 no to 11 yes, and as it stands now Lake County has no reapportionment committee.

By law, the Board must decide on the number and boundaries of new county board districts by July 1, 1971.

The official canvass of ballots from the November 18 election of delegates to the Illinois Constitutional Convention was completed (Continued on page three)

## Judy Hevrdejs Named 4-H Congress Delegate

Judy Hevrdejs, Rt. 2, Box 458, Antioch, is one of 43 outstanding Illinois 4-Hers going to National 4-H Congress in Chicago, Nov. 30-Dec. 4. The congress is the highlight of the 4-H year, and to be a delegate is the dream of every 4-H'er.

Barbara Dahl, Assistant Lake County Extension Adviser, says the 43 Illinois 4-Hers will join more than 1,600 winners from every state, Puerto Rico and Canada at this year's congress. National 4-H Congress delegates are the cream of the nation's 3 1/2 million member 4-H crop. The State

4-H Committee selected the 43 Illinois delegates from the state's 75,000 4-H members on the basis of their 4-H records, years in 4-H work, projects, activities and achievement.

Miss Hevrdejs was chosen as a delegate, the top State honor a 4-H'er can receive, on the basis of her 4-H achievement and her community service.

In 1969 Miss Hevrdejs received for the second time, the Key Award, the top County award a 4-H'er can receive. She has twice been a recipient of an achievement award and in 1968 was named as Lake County's top 4-H'er receiving the Kollin Heitkotter Award. She was chosen as one of the 4 Lake County delegates to the State Leadership Camp in 1969.

Judy has been selected twice as the County's grand champion (Continued on page four)

## December Play For Children

"Hans Brinker, or the Silver Skates", the children's production which the PM&L Players are presenting on December 6, 7, 13, and 14 at the PM&L Theatre, 877 Main St., Antioch, was the "Gone With the Wind" of its day. First published in 1885, it went into over a hundred editions, was translated into many foreign languages and received a prize from the French Academy.

It all started when a young widow Mary Mapes Dodge started telling her children about a Dutch boy, making up the story as she went along and filling it full with the flavor of Holland—its history, its oddities, its heroic and thrifty people. Night after night she continued the tale, and night after night it grew more and more exciting. Her family liked it so much she was encouraged to send it off to a magazine for young people. It was printed and its amazing career began.

Perhaps the strangest thing of all about this unique story is the fact that the author never saw Holland until after the book was written. And yet its authenticity has never been questioned.

The large cast of "Hans Brinker" is made up of adults, grade school, and high school students. The star playing the title role is Steven Patwell who lives in Lake Villa as does Frank Rojek, Sonia Slovensky, Carl Schummel. John Cadwell hails from Libertyville. The rest of the cast are all from Antioch—Kathy Walpole, Josef Hunley, Shirley Jensen, Pam Hunley, Joanne Apostol, George Ramsey, Bill Serzhon, Wanda Springer, and Carol Zeman.

Ticket reservations can be made by calling Ricky Apostol, 395-1217. Curtain time is 2:30 p.m.

## Board OK's Special Education

A special education course, begun this summer at the Antioch High School will be continued, board members have decided.

The program, under the direction of Edward Kurek, Bernard Fosmark and Mrs. Carol Fogle, will accommodate 30 freshmen.

Supt. Albert Dittman was authorized to secure bids for fill and gravel for additional parking at the school and a review and updating of the administrative structure to be completed by January by Northern Illinois University representatives.

The board also authorized the hiring of Ronda Sue Page to replace home economics teacher Sharon Reich for the second semester at a salary of \$4,983. Two bus drivers-custodians were also hired, George Huackstad and John Reinke with a salary of \$470 per month.

The board also decided to investigate the unit school district and will invite representatives of the county superintendent of schools to the December meeting.

Herbert Lechelt, of Antioch, has been named a regional manager of Speed Fastener, Inc., a St. Louis based subsidiary of Elco Industries, Inc., Rockford.

## Santa Claus Arriving Saturday

Saturday is the big day in Antioch.

At 10:30 a.m. Santa Claus will arrive by helicopter to set up headquarters in the Antioch Rescue Squad building for the Christmas holiday season.

All youngsters who visit him can give him their Christmas wishes and receive candy canes. Merchants will distribute forms to youngsters accompanied by their parents so that they can become eligible for rides in the helicopter.

The Antioch Chamber of Commerce is sponsoring the visit.

## See New Deadline for Remap

Lake County Board Chairman W. Depke says it is highly likely that legislation will be enacted during a special session of the Illinois General Assembly next year granting an extension to the July 1, 1971 deadline for reapportionment of township counties.

Depke made this known to his fellow supervisors during a session of the Board on Wednesday, Nov. 19, at which his resolution to name a remap committee was turned down. The chairman met with Governor Richard Ogilvie in Springfield the day before to discuss some of the problems facing counties under township government which must reapportion.

## License Plates Available

For the second year in a row the State Bank of Antioch will sell auto license plates, according to William E. Brook, president.

The State Bank of Antioch is one of four banks in the county to be designated by Secretary of State Paul Powell.

The bank will charge only \$1 over the cost of the plates, as part of its overall program to supply service to its customers. Plates will go on sale Dec. 1.

The program will be operated by Jim Bloss. The bank last year purchased a special National Cash Register validating machine which is necessary in the over-the-counter sales of plates.

Special windows will be set aside to handle the sales, Brook said.

## Free 'Pap' Clinic on Dec. 2

The Lake County Unit of the American Cancer Society is sponsoring a free "Pap" Clinic for detecting uterine cancer on Tuesday, Dec. 2, 1969, at the Barwell Settlement, 201 Liberty St., Waukegan, from 1:00 to 4:00 p.m.

The clinic is open to all Lake County women. American Cancer Society volunteers donating their services for this clinic are Peter L. Vinciguerra, M.D., Professional Education Committee Chairman; John R. Fahey, M.D.; Mrs. Bonita Quirk, Mrs. Lillian Simpson, and Mrs. Dorothy Concidine, Staff members of Condell Memorial Hospital.

## Elaine Palm 'Bank Women' New Member

Mrs. Elaine Palm, assistant cashier, First National Bank of Antioch has been elected to membership in the Association of Chicago Bank Women.

The first meeting Mrs. Palm attended was the Annual Executives Night and L. M. Woods, executive vice president of the First National Bank was Mrs. Palm's guest.

The meeting and dinner was held at the Ambassador West Hotel, Guildhall, Chicago.

## Education Week Is Success

The American Education Week brought many parents and friends in to visit the Antioch Community High School during this past week which was set aside as the week to visit your schools throughout the state by the Illinois Education Association, and throughout the nation by the National Education Association.

An attempt was made to acquaint these people with the general areas of instruction, the modern techniques and devices used, the facilities and building expansion and other items of interest.

Some of these people were in our building each day throughout the week from 10:15 a.m. to 1:30 p.m. and were luncheon guests of the school.

Each two to four parents had a Future Teacher who served as an escort.

Among our list of visitors were: from Antioch, Dorothy Wertz, Ina Larson, Mr. and Mrs. Mike Warren, Mrs. Rasinski, Mrs. Young, Mrs. Lorraine Newton, Mr. and Mrs. Mike Ano, Mrs. Sander, Rev. and Mrs. Donald Cobb, Mr. and Mrs. Chuck Jinkins, and Mrs. Joan Schoelzel. ## EDITORIAL

## Congratulations

Another successful Moon Flight has been completed.

And we wish to congratulate the three astronauts of Apollo 12, Charles Conrad Jr., Richard F. Gordon Jr., and Alan L. Bean for a job well done.

Once again we held our breaths as the men cavorted on the Moon and only let it out when they were announced safe and sound.

We realize that this sounds somewhat trite—because it is getting commonplace to go to the Moon from Florida these days—but we don't take such a feat that lightly.

The three Navy commanders deserve a vote of thanks from all of us for furthering the exploration of space.

We think it would take a little more intestinal fortitude than we are blessed with to even get into one of those things they fly around in.

The cry goes out once again that only in America could this feat occur.

We concur with that sentiment.

Onward and upward is America's battlecry these days.

And we agree with that, also.

## A Good Decision

The U.S. Senate recently refused to confirm Federal Judge Clement Haynesworth for appointment to the U.S. Supreme Court.

We think that this was a wise decision.

We are sure that Judge Haynesworth is an able jurist.

But we feel that all appointees to judgeships—especially the highest court in the land—should be above reproach in all things.

Political pundits say that President Nixon was "going down the line" for the good southern judge to pay off a political debt.

We think this is a poor excuse for appointing anyone to the high court—no matter if nothing ever comes up about his character.

It would seem to us that the U.S. Supreme Court should be untouchable—both by politics and any sort of scandal.

Maybe we are naive but we feel that—although human—such a man should be above the whispers and the innuendoes of any sort of wrongdoing—no matter what.

And while we are at it we might as well wonder about our newest senator, Ralph T. Smith of Alton.

Smith went to Washington saying that he would oppose Haynesworth.

He then voted for him.

We are wondering who put the political screws to Smith to change his mind and if it can happen in the future.

We would hate to think so.

## 41 New Citizens...

(Continued from page one)  
Harry D. Strouse, Jr., witnessed the swearing-in. The main address was delivered by William A. Holmquist, president of the Lake County Bar Association.

Judge Strouse told the new citizens, "You have just received the greatest privilege this country can bestow." In his brief remarks, Judge Strouse emphasized freedom... "a concept which has excited the minds of men for centuries... dearly purchased by each generation which has paid its price," and gave Emerson's definition: "He is free who lives as he chooses." The judge urged them to: take part in the elective process; activities of youth, uphold the law; work to improve the communities in which they live.

Holmquist encouraged the fledgling citizens to teach their children their native language, citing those who are bi-lingual or multi-lingual as having an advantage "at a time when there is a need for better communications."

He further urged them to write to their relatives and friends in the nations from which they came and tell them what is going on here in the United States, so as to broaden the scope of understanding among men.

Referring to the poor turnout at the polls for last Tuesday's election of delegates to the Illinois Constitutional Convention, Holmquist deplored the apathy among voters who are native born Americans. He exhorted the new citizens to register and "do something about the apathy going on in elections."

Lake County Circuit Clerk Stephanie Sulth, who administered the oath, distributed naturalization certificates during a reception in honor of the new citizens hosted by the American Legion on Tuesday evening, Nov. 25, in the post home, Washington and Utica Streets in Waukegan. Those from this area include Cornelius Lulofs, Antioch, from The Netherlands, and Karen Scheel, of Lake Villa, from West Germany.

Among the 2,911 students who registered this fall at The University of Wisconsin - Parkside, the new four-year degree-granting UW campus midway between Kenosha and Racine, Wis., are four Antioch residents.

They are Alora T. Anderson, of Rt. 4, Box 361; Robert J. Fox, of Rt. 4, Box 492D; Joan T. Letourneau, of Rt. 4, Box 374A; and Robert Pirko, of Rt. 3, Box 219.

## Lake Towns...

(Continued from page one)

"Elimination of the extended area codes now in use, '8' in Fox Lake, '7' in Round Lake, will occur in the last quarter of 1970. The use of the digit '9' in Grayslake and Lake Villa will be discontinued in 1971."

Amundsen pointed out, "The elimination of these code numbers will mean seven-digit dialing for Fox Lake, Grayslake and Pleasant Highlands where currently only five numbers must be dialed to call other phones in their own community."

It isn't possible at this time to eliminate the code "1" for long distance calls. This is in common use throughout the Bell System, with the type of switching equipment in use here. Many large communities in Illinois such as Springfield and Joliet, dial "1" for long distance.

"Illinois Bell is spending nearly a million dollars a day—or \$335 million this year on service improvement," Amundsen continued. "Here's what it's buying:—another 250,000 telephones to be installed at a cost of \$117 million;—\$46 million in building construction, including \$37 million in office additions to house equipment for 140,000 new customers;—new switching equipment for upgrading local and long distance service;—a \$1 million network control center for spotting and alleviating telephone network overloads;—and \$65 million in cables needed for new telephone installations."

William A. Sinks, vice president for engineering, said that the 1969 construction expenditures are part of more than \$2-billion the company must spend during the next five years to accommodate customer growth and improve service.

But present customers already have benefited from some projects completed earlier this year. Nor is Illinois Bell looking ahead only to the next five years.

"The Company is projecting future needs to 1990," Sinks added.

NI-Gas president, C. J. Gauthier, said bids are scheduled to be opened on December 10, given necessary regulatory clearances.

## See New Deadline...

(Continued from page one) board districts must be of equal population. Depke pointed out to the Governor that population figures from the 1970 federal census will probably not be available in time to meet the remap deadline and it would be futile to use figures from the last official census in 1960 or even updated, interim head counts which many have been taken in some municipalities.

County boards must first determine the number of districts to be carved out. It may be no less than 5 nor more than 29. Then, they must begin the task of drawing boundaries. Should a board fail to agree on districts by the present deadline the job would be taken over by a special commission. Should the commission not be able to agree on boundaries county board candidates would run at large.

Depke told supervisors Wednesday, "I don't see how any meaningful work toward reapportionment of county board districts can be accomplished without up to date census figures, and we won't have those until we are well into 1971. An extension of the deadline seems mandatory and I believe the Governor will work with us toward that goal."

## Open House...

(Continued from page one) with the response to "Our Open House," said Dr. Richard Erzen, President of the College. "Our visitors were most complimentary regarding the facilities and equipment and seemed extremely interested in the Junior College. Visitors at the Open House came from every section of the College district and some from outlying, non-district areas. It is gratifying to note the county-wide interest and support that is apparent in the entire College district."

The college site, which is located in mid Lake County near Grayslake, opened in the fall of 1969 with 2,588 full-time and part-time students in attendance.

Enrollment statistics indicate that all areas of the county are well represented in the student body. College records indicate that 219 students from the Antioch area have enrolled in the College of Lake County. Of this number, 82 are full-time, 137 are part-time, and range in age from 17 to 59.

The funds will be used to repay outstanding short-term loans incurred in financing the company's 1969 utility construction program. These expenditures are expected to be about \$50 million.

Gauthier said that this program is necessary because of the continued growth being experienced by the company, the additional development of underground storage fields, and the construction of more mains from these storage fields to the company's markets.

## County Board...

(Continued from page one)

In 15 minutes on Friday, Nov. 21. This included tabulation of written votes in Lake County's 231 precincts. All results were exactly the same as those processed through the computer on election night. The county uses the IBM Votomatic punchcard system.

Dwight Magalis, head of the county's data processing department, said there were about 7,000 more ballots cast Tuesday than there were in the con-con primary, for a total of 37,310 in both the 31st and 32nd districts in Lake County. There are 147,555 registered voters. The turnout at the polls represented 25.28 percent of those registered to vote.

Winners in the 31st district were: Mary A. Pappas of Lake Bluff, and John D. Wenum of Lake Forest. Delegates from the 32nd district, which also takes in a portion of McHenry County, are: Jeanette Mullen and Jeffrey Ladd.

Supervisor Ronald Coles of Lake Villa Township, chairman of the County Board of Supervisors' data processing committee, praised precinct judges for helping turn out a quick vote return on election night. At the same time he said a greater saving in time and money could be accomplished if election judges would screen the computer cards more thoroughly before delivering them to the county building.

Coles said, "Too many people still don't know how to use the Votomatic. We've had cases where individuals would break the metal stylus in the voting booths, use pencils or pens to punch the cards, and even some who held the card in their hands and tried to punch-out the correct column. That's why we have had so many shutdowns on the computer and why we have to keep so many people on hand here to screen these cards."

Even so, Magalis said the final printout in Tuesday's election came just three hours and 35 minutes after the polls closed at 6 p.m.

Lowell Wirth, deputy county clerk in charge of elections, says there is no comparison in time, efficiency and accuracy between the electronic system and paper ballots. As far as mangled ballots and ineptitude in punching the IBM cards, Wirth says the problem has diminished considerably since the inception of Votomatic.

One thing most people are not aware of is the time needed for election preparation. Wirth's department alone puts in about three weeks work getting ready for an election, and then there is the sorting of equipment and materials to be done afterward.

As for cost, elections in Lake County average about \$70,000. Wirth says the figure is a bit higher for a regular general election. Most of the expenditure goes toward paying election judges in the county's 231 precincts.

A member of the Lake County Probation Department, 39 year old Fred Connolly, has been appointed to the Law Enforcement Assistance Planning Committee. The group was formed last May to prepare a comprehensive law enforcement plan for the county. Connolly has been with the County for years. Prior to that he served six years as a social worker in Chicago and 2½ years with the children's division, Cook County Department of Public Aid. He received a bachelor of science degree from Marquette University, Milwaukee in 1956.

The new committee member resides with his wife and two children at 709 N. Buttrick St., Waukegan.

Dear Friends,

Since we are approaching Thanksgiving Day I think a more suitable time could not be found to express my gratitude for having been the recipient, through your generosity, of your great weekly newspaper for the past eighteen years since I left Antioch. I want to assure you that, of all the newspapers which come my way, yours is read from beginning to end of the news sections.

Among the items which I have always found interesting are the

## 4-H'er Is Delegate

Roger Shanks, 18, son of Mr. and Mrs. Douglas Shanks, Mundelein, has been selected as one of thirteen delegates to represent Illinois at the National 4-H Dairy Conference.

The conference is to be held Dec. 4-6 at the Conrad Hilton Hotel in Chicago.

Roger is a 9-year 4-H member of the Happy Hayceeds 4-H Club and has been one of the outstanding dairy members in Lake County throughout his 4-H work. He is now attending the University of Illinois in Urbana and has recently been named an Illinois Key Club Member for his outstanding achievements in 4-H Club work.

Roger is one of three Illinoisians to be sponsored by the Illinois Holstein-Friesian Association to attend the National Conference. Other sponsors throughout Illinois include the Pure Milk Association and the Illinois Breeding Cooperative.

Mr. and Mrs. Wells

## Gail Vorpahl Wed To Harold Wells

St. John's Catholic Church was chosen Nov. 8 at 2 p.m. for the wedding of Gail M. Vorpahl, of Camp Lake, Wis., to Harold C. Wells, of 416 Orchard St., Antioch.

Miss Vorpahl is the daughter of Mr. and Mrs. Daniel Vorpahl of Camp Lake, and Mr. Wells the son of Mrs. Amy Wells, of Antioch.

More than 300 persons attended the ceremony performed by Fr. Neudling.

Miss Clara Moriarty was maid of honor and bridesmaids included Miss Joy Koci and Mrs. Harriet Winnestrom. The flower girl was Danette Vorpahl.

Best man was Ron Hackett with Erick Vorpahl, Chuck Smith, Don Frillman and Jamie Smith as groomsmen and ushers.

A reception was held at Fox River Gardens following the ceremony.

The groom, a 1965 graduate of

Antioch High School, is employed at the International Register Co. The young couple is at home in Trevor, Wis.

## Homemakers Get Lesson On Meals

The University of Illinois Extension Service Home Economics, Mrs. Helen Volk and Mrs. Barbara Dahl, presented a lesson on "Quick Nutritious Meals" to homemakers from Extension Units throughout Lake County this week.

The 23 organized units consisting of almost 700 enrolled members met together at four class sessions held at the new Extension Building on the Fairgrounds, Grayslake. There were both afternoon and evening sessions on November 18 and 19.

Since every homemaker is eager to keep her family healthy she realizes she must prepare and serve the kinds of foods required for a well-balanced diet.

It is no wonder homemakers are concerned these days when they are confronted with cyclamates, monosodium glutamate, cholesterol, overweight, rising food prices, food additives, a host of new products including convenience foods, fewer meals eaten at home—all these problems, plus the findings that malnutrition cuts across all segments of society—not only the poor are undernourished—it is mostly a matter of education and making proper use of the abundance of foods produced in our United States.

The lesson included a discussion of the "Basic Four Food Groups" and menu planning including foods from this daily food guide. Convenience foods on the market today were evaluated. Many of them were included in the three meals—breakfast, lunch and dinner—which the advisers prepared and displayed on attractively set tables. Recipes were included in the lesson sheets. Each group session ended with a social period when the homemakers enjoyed tasting the foods prepared from these recipes.

Recommendations endorsed at the meetings were:

1. Introduce and enlarge nutrition science in the elementary and secondary school curricula.
2. Enforce regulatory control of food advertising claims, including those for vitamins, to conform with scientific fact.
3. Enlarge nutrition education among doctors, nurses, dietitians and teachers to make them competent educators in this area of health protection.
4. Homemakers prepare and train their families to eat nutritious meals resulting in buoyant health.

Lesson sheets can be obtained by calling Mrs. Volk's office (BA 3-4844) at the Fairgrounds, Grayslake.

food demonstrator, and has won several other awards in the foods area.

She has done such superior work she has been named as a County Outstanding Member for 4 years, State Outstanding for 4 years, a County Project Honor winner for 5 years and State Project Honor member for 5 years. She has been named as an honor winner in clothing for 4 years, was chosen four times to be a delegate to the State Fair, representing Lake County in Clothing and Foods and in 1969 as Lake County's top Mistress of Ceremonies.

Judy served as a Junior Leader in the Sequoia Sues Club for 4 years, and 3 years ago started Sequoia Warriors, a club for boys.

Miss Hevrdejs is currently enrolled at the University of Illinois in Home Economics education.

Mrs. Dahl says more than 50 businesses, professional associations and foundations support nationwide 4-H programs and honor outstanding members in Chicago each year.

Highlights of the 1969 National 4-H Congress program include a Chicago Symphony Orchestra "pops" concert, conducted by Arthur Fiedler; "The Establishment," a rock music group, and the World Championship Rodeo at the International Live Stock Exposition. Judy will also enjoy living for a week in the nation's largest hotel, taking in the sounds and sights of Chicago, eating banquet-type meals every day, and being royally entertained by stars of stage and TV. Secretary of Agriculture, C. M. Hardin, a former 4-H member, delivers the keynote address at the opening Congress assembly, Nov. 30.

## CITRISTIAN SCIENCE CHURCHES

These words of Jesus are from the Lesson-Sermon to be read this Sunday in all Christian Science churches: "If I cast out devils by the Spirit of God, then the kingdom of God is come unto you." The subject is "Ancient and Modern Necromancy, ALIAS Mesmerism and Hypnotism, Denounced."

A passage from "Science and Health with Key to the Scriptures" by Mary Baker-Eddy reads: "Jesus cast out evil and healed the sick, not only without drugs, but without hypnotism, which is the reverse of ethical and pathological Truth-power." Services are being held at First Church of Christ, Scientist on BEACON HILL, Rte. 173 and Harden, Antioch, and begin at 11 A.M. All are invited to attend. \*Matthew 12:28 \*\*page 185.

### VISITORS

I was pleasantly surprised to open my door Saturday afternoon and find Mrs. Dorothy Smith and Mrs. Edna Botts there. Mrs. Smith flew here the Saturday before from San Bernardino, Calif., where she moved to five years ago. She formerly lived at 1906 Pinecrest Lane. Every so often she gets homesick for the Chicago weather and her friends back here. She stayed with the Botts while here. She tried to visit with several of her friends here, and to those she missed she sends her best regards. Dorothy is a Sheriff's Deputy in California, working in the office. ### RECEPTION

Circle Dec. 4 on your calendar if you are a friend of Marianne Smith. On that day, the Altar and Rosary Sodality of Prince of Peace Church is having a recep-

tion for her at 8 p.m. in the church. She is a graduate of Prince of Peace School, and now a member of the Poor Child Jesus Order. She is home for a visit now, on her way to the Missions in South America. Her name is now Sister Carla Marie. She is the first vocation from Prince of Peace Parish.

Sister Carla Marie is the daughter of Mr. and Mrs. Erwin Smith of Grayslake, formerly of Lindenhurst.

### ENGAGED

Mr. and Mrs. William Guzski, 2110 E. Old Elm Rd., Lindenhurst, announce the forthcoming marriage of their daughter, Kathleen, to Kenneth Michael Baxley, U.S.S. Puget Sound, Newport, R. I. They will be married at Prince of Peace Church in Lake Villa on Dec. 6.

Miss Guzski, a graduate of Antioch High School, studied for a year at Ray-Vogue in Chicago, is employed as a cost control clerk at the Great Lakes Naval Training Center.

Her fiancé, who has been in the service for a year, is the son of Mr. and Mrs. Kenneth Baxley of Leesburg, Fla.

The future newlyweds plan to live in Newport until Jan. 2, when Baxley will report to Bainbridge, Md.

### HOSPITAL PATIENT

Two and a half year old Billy, son of Mr. and Mrs. Billy Rose, 107 N. White Oak Dr., is back in Victory Memorial Hospital. The little fellow will have to have surgery when an infection clears up. He was in the hospital for six days the week before he had pneumonia. May help a little to know your friends and neighbors are concerned for your baby.

### SYMPATHY NOTE

Sincere sympathy is expressed to Mrs. Agnes Wilhelm of Venetian Village. Her husband, Dominic, passed away Nov. 13 at St. Therese Hospital. He would have been 80 years old Christmas Eve. He also leaves a daughter, Mrs. Agnes (Stewart) Avidsen, three grandchildren, five great grandchildren, three sisters, Mrs. Rose Granger, Mrs. Anne Bittner and Mrs. Frances Schenck. He worked at Stewart Warner in Chicago for 43 years. When he retired they moved to Venetian Village 13 years ago.

### PARTY

Lyle and Velma Mercer have sold their home at 1908 E. Burr Oak Lane, and will be moving to Florida very soon. Members of the Lindenhurst Men's Club and their wives, (36) gave them a

farewell party at the Civic Center last Wednesday evening. They were given a gift certificate to purchase what they want and Mrs. Mercer was given a lovely pin and earring set. Lyle was a very active member of the Men's Club for many years and was on the Planning Commission also. He will be missed. Mrs. Mercer had been a member of the Women's Club from time to time. We wish them good luck in their new location.

### BIRTHDAYS

We wish our neighbors Jessica Robin Drukanis, Carol Sweeney, Helen Myslinski, Ray Verdick, John Selzer, Jeff Schriver, Bradford Kleban, Timothy Lough Limber, Howard Rowe and Dorothy Thompson a very happy birthday.

### ANNIVERSARIES

Congratulations to Chuck and Pat Reinhart on their 22nd wedding anniversary Nov. 22. And to Hilmar and Irma Hansen on their 46th wedding anniversary Nov. 25. And George and Maxine O'Day on their 30th anniversary Nov. 26. Mike and Vivian Filday will be celebrating their 29th anniversary on Thanksgiving Day, and Roger and Nancy Sandres will be married 32 years also on Thanksgiving Day. Our very best wishes to all.

### Lindenhurst Women's Club

Business discussed at the Lindenhurst Women's Club last Thursday consisted of a report from the Directory chairlady, Mrs. Luane Cassidy, stating that names for the directory should be completed last week-end (Nov. 16). Printing should start soon. The Las Vegas Night will be Nov. 23 starting at 8 p.m. at the Civic Center.

The annual Christmas Party for the members and their husbands will be held Thursday, Dec. 11, starting at 6:30 p.m. Members who plan on going may call Mrs. Dolores Walsh, chairlady. There will be a dollar gift exchange for a man and a woman. The children's Christmas Party will be Sunday, Dec. 21.

Mrs. Jenny Volpentesta reported that five members visited the wounded service men at Great Lakes Hospital last month. Those who went with Jenny were Terry Glogovsky, Mickey Spahn, Sylvia Raucci and Eve Swanson.

Mrs. Volpentesta also announced that the Lindenhurst Neighbors Handicraft Fair would be held Sunday, Nov. 23 at the Civic Center from 12 noon til 6 p.m. There will be many lovely Christ-

## Cookie Taste-In Scheduled By CLC

A Cookie Taste-In, in preparation for the Christmas season, is on the agenda for the first meeting of the College of Lake County faculty women and wives.

The date for the Taste-In is Tuesday, Dec. 2, and Mrs. Robert Mason, 923 Bartlett Terrace, Libertyville, is the hostess. Help-

mas items for sale.

As is the custom, the Women's Club will help a needy family again this year. Members are asked to bring canned goods, staples or give a cash donation at the December meeting.

Card tables are being purchased with the proceeds from the September Card Party.

Kathy Jenewein won the attendance prize, a pretty table Christmas tree. Helen Myslinski received the birthday gift, a Christmas door decoration. Other birthday-ladies were Minnie Ciancio, Carol Brendel, Judi Bracher, Carol Sweeney, Dorothy Thompson, and Jenny Volpentesta.

Hostesses: Mary Garcia, Louise Budde, Eleanor Collis, Rose Mohr, Heather Langdon and Chloe Dietz served.

Mr. Post showed a film about narcotics being used by young people. He also spoke about our being a "Pill Society", and it being a way of life. He passed out literature describing how you may know if your child or someone in your family may be a drug user.

Lake County Supervisor Ron Coles introduced Con-Con delegate Mrs. Mary Pappas to the ladies.

## Two-County 4-H's Host At Congress

Two Lake County 4-H Club members have been selected to serve as hosts at the Firestone Automotive Exhibit in the Conrad Hilton Hotel, November 28 thru December 1 at the National 4-H Club Congress.

They are Greg Lohman, 16, son of Mr. and Mrs. Floyd Lohman, Barrington, and a 5-year member of Barrington's Flynn Valley 4-H Club, and Paul Paulsen, 17, son of Mr. and Mrs. William Paulsen, Lake Villa, and an 8-year member of the Millburn Hornets 4-H Club.

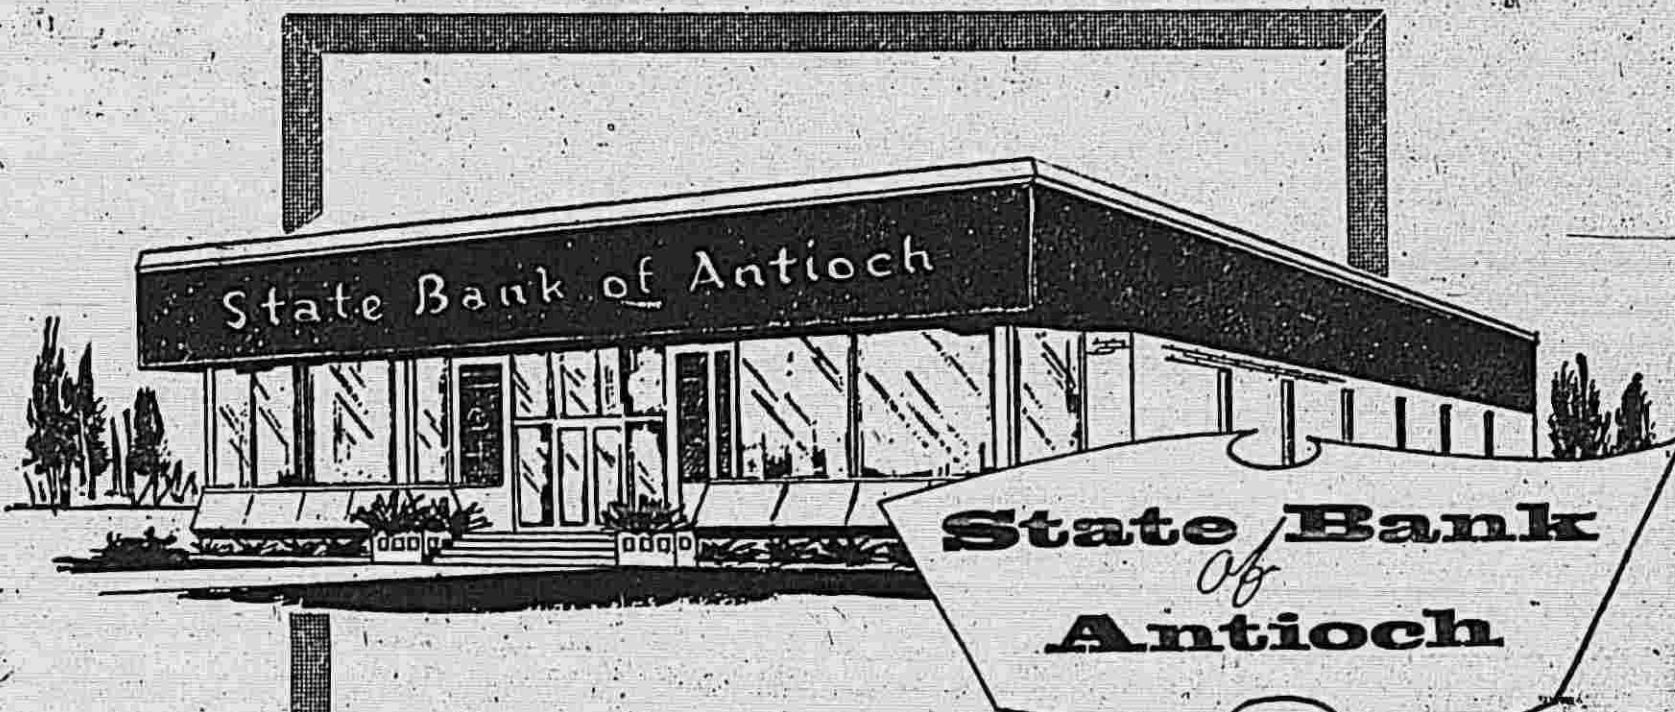

Both members have been enrolled in the Firestone sponsored Automotive project and exhibited at the county 4-H club show. The boys will be accompanied to Chicago by William Paulsen.

THE ANTIOCH NEWS—6

## Sequoits Lose To McHenry

The McHenry Warriors beat the Antioch Sequoits 69-52 in the season opener Saturday evening.

The Sequoits started out like they were going to handle the Warriors, but they completely collapsed in the final 3 periods. In the first quarter, the rebounding was excellent, the team

moved the ball well and on a couple of occasions executed the fast break beautifully. Bolton, Sterbenz and Bentel were the main scorers and also led in the rebounding, as the Sequoits surged to a 20 to 12 lead.

In the second quarter, McHenry employed a full court man to man press. This maneuver caused the Sequoits a great deal of trouble as they committed 12 turnovers during the quarter. This enabled McHenry to close the lead to a 30-29 deficit as the first half ended. Also, the Sequoits missed four 1 and 1 free throw situations, thus losing a possible eight points.

As the second half began, the

Sequoits were confronted with a full court zone press. This proved to be a problem for the inexperienced Sequoits as they continued to pile up mistakes and finished the quarter on a short end of 49-39 score. In the third quarter the Sequoits committed 11 turnovers, with most being bad passes and losing the ball on steals. McHenry shot well during the third quarter, as they hit 10 of 22 shots, to really take charge of the game.

During the 4th quarter both coaches substituted freely to give all their players a chance to play. The hot shooting McHenry continued to scorch the nets as they hit 8 of 19 attempts.

## Fox Trails Ski Swap On Nov. 29-30

The annual Fox Trails ski swap is scheduled for Nov. 29-30 with used equipment to be delivered to the ski resort in suburban Cary the preceding weekend.

According to Director Mrs. Marjorie Rolfs, all salable ski equipment in good condition—including clothing—will be welcome.

When asked about the game, Coach Andrews stated, "We were extremely pleased with the play in the first quarter, but we were greatly surprised the boys had such a hard time with the press. We have some real fine ball handlers, but their inexperience at the varsity level plus the first game caused them to lose their cool. Also, this created a situation in which we missed a possible 24 points at the free throw line. Our rebounding was pretty good with Bolton grabbing 17 rebounds followed by Bentel, Sterbenz and Weiss with six each. There were several other bright spots and we will be much better in our next game."

The final statistics for the game were:

Rebounds: Antioch 44; McHenry 48.

Shooting: Antioch 16-47 for 34%; McHenry 30-82 for 38%.

Turnovers: Antioch 32; McHenry 15.

The box score for the game is as follows:

came at sale headquarters, the chalet building at Fox Trails, until 6 p.m., Saturday, Nov. 22 and Sunday, Nov. 23. Fox Trails tags it with the price you ask, Mrs. Rolfs said, and only charges a ten per cent handling charge if your equipment is sold. To eliminate past problems, she added, no damaged or obsolete equipment, or soiled clothing will be accepted this year.

Another added attraction, she said, will be free-dry-land ski lessons for beginners from 2 to 4 p.m. on the sale days: Nov. 29 and 30, and free coffee for everyone. In addition on the sale days, she noted, the only reduction on Fox Trails season passes, a full 10 per cent on all pass categories will be offered to sale shoppers.

For the convenience of shoppers, Mrs. Rolfs said, Fox Trails' ski shop, snack bar, and cocktail lounge will also be opened for the occasion since the tow ropes are not scheduled to begin operation until Dec. 1.

## St. Peters Opens Basketball Season

The St. Peters grade school basketball teams began their season this past Sunday.

We will relay the scores of all the games, and a list of names of the players in future issues.

The 6th and 7th grade teams went down in defeat against St. Francis of Lake Zurich. The 6th grade score was 16-13. The 7th grade game was 21-19.

The 8th grade saved the day by beating the St. Francis Eagles by a score of 43-33.

Coach Don Pyles has the 6th and 8th grade teams, while John Hedberg has the 7th grade team.

St. Peters will play again next Sunday. All games are played on Sunday.

## Pre-Season Favorite Is Upset

The Continental Basketball Association tipped off with the upset of the pre-season favorite — the Cudahy Mods and two other thrillers, The Grand Rapids Trackers led by Don Edwards, Central Michigan, Herschel Turner, Nebraska, Joe Johnson, Michigan State, Dennis Stewart, Michigan, and Ed Burton, Michigan State — all scoring over 20 points, outscored Cudahy 13-2 in the last three minutes, despite the sharp shooting of Joe Franklin, Wisconsin and Max Walker, Indiana, who each tallied 31 points.

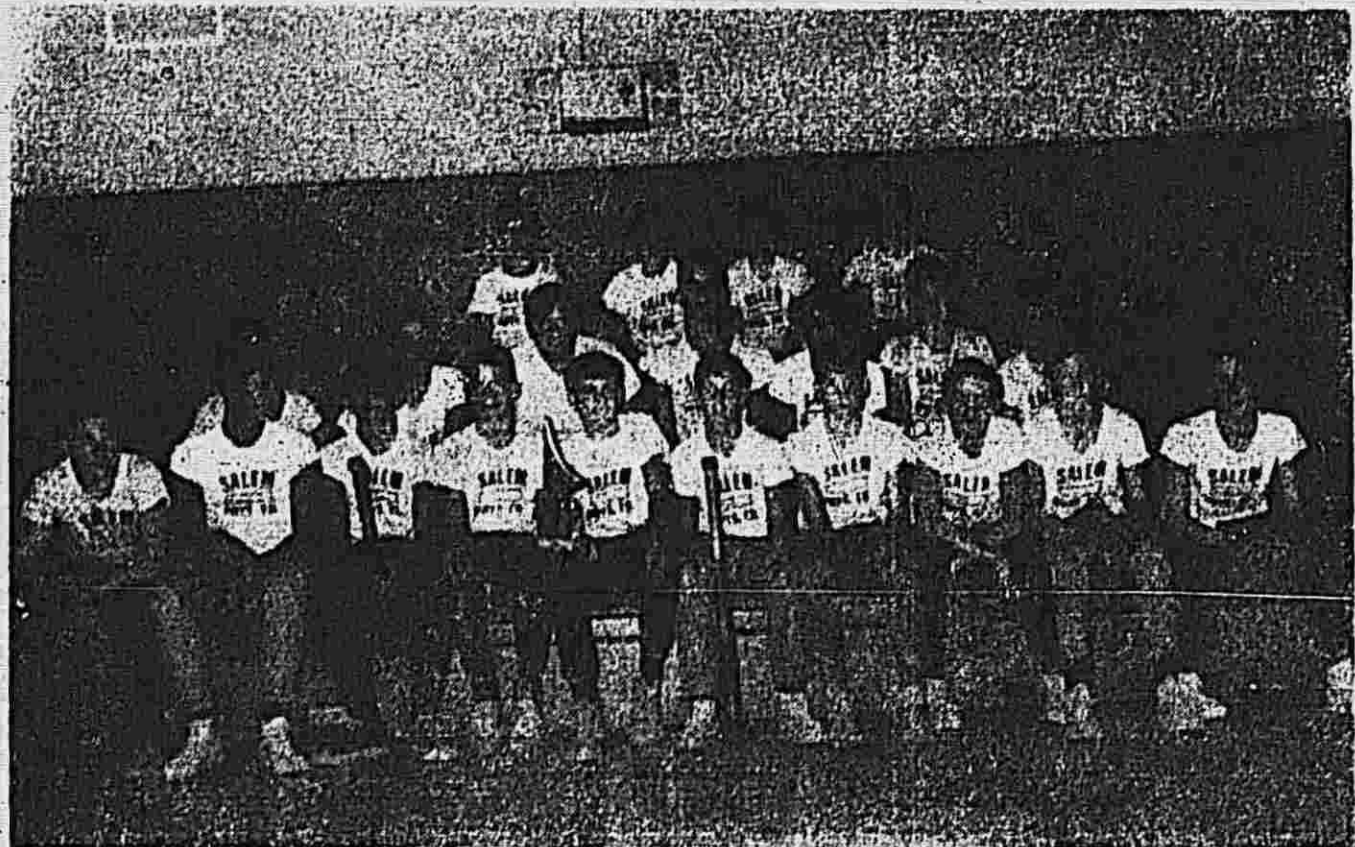

The Peoria Chiefs took a 27-13 lead against the Rockford Royals, but the Royals bounced back to a 50-47 half time margin, which they never relinquished. Dave Golden, Duke, Ed Jackson, Bradley, and Tom Gordon, Bradley, led the losers with 27, 25, and 21 points respectively. Well balanced Rockford was led by Harry Hall, Wyoming, 19; Sterling Burke, Northwestern, 18; Ron Dunlop, Illinois, 17; Ken Barnes, Wisconsin, 16; and Al Zelche, De Paul, 15 points.

The Decatur Bullets rebounded from a 9 point deficit in the last 5 minutes to beat the Waukegan Wizards 113-104. Hubie

Marshall, La Salle, led all conference scores with 33 points. Other Decatur leaders were Art Crump, Idaho State, 14; Ron Bonham, Cincinnati, 13; and Jim Rayl, Indiana, 12. Les Long, McKendler and Tim Robinson, Bradley, had 22 and 20 points for Waukegan.

This weekend, Rockford hosts Decatur on Saturday and Grand Rapids on Sunday, as the three League leaders clash. Also on Sunday, Decatur plays at Cudahy and Waukegan invades Peoria.

## Meet Falcons Night Draws Huge Crowd

The Salem Booster Club sponsored its second "meet the Falcons" night on Saturday, Nov. 15 and more than 250 loyal fans turned out to meet the 1969-70 Salem Falcons and their cheerleaders.

President Len Scanlan called the meeting to order, then introduced the Booster Club officers and trustees — Dale Merrill, vice president, Mrs. James McCormack, sec-treas. and trustees, Roy Beck, Bob Baysinger, Al Paddock and Alex Nigro.

President Scanlan turned the meeting over to Coach Wilson who gave a brief history of the

Booster Club and projects it had set for this year. Following this was the introduction of the seventh and eighth grade basketball players and their parents. The cheerleaders and their parents were introduced by Mr. Dale Jensen.

Refreshments were served and a NBA Highlight movie was shown while the players warmed up for an intrasquad game.

In the seventh grade intrasquad game, the Red's dumped the Blue's, 23 to 10. Pacing the Red's attack was Bain and Ketterhagen while Grabarec lead the Blue's. Also shining in the game was Riesselmann, Tremonte, Terry and Flaschner. In the eighth grade game, the Blue's edged the Red's, 18-15. Pacing the winners were Plants, House and LaMeer, while Jacobsen and Koe-necke shined for the Red's.

Battling for a starting position on the Junior Falcons team at the forward position are: Bruce Johnston, Steve Glasman, Steve Bain, Gary Grabarec, Peter Las-ka, Carl Costanzo, and Jon Flaschner while Art Ketterhagen, and Tom Underhill are fighting for the starting center slot. Working at the all important guard position are Mike Babros, Kurt Eckberg, Jim McCormack, Alex Nigro, Geo. Riesselman, Dave Terry, Bob Tremonte and Randy Hautsinger.

Nineteen boys are working for starting jobs on the Falcons varsity. Battling for the forward berths are Allen Glover, John Harrison, Pat Hohn, Tom Jacob-son, Duane Johnson, Don McAlis-ter, Peter Merrill, and Don Hap-p: Three boys are fighting for the all important starting center slot and they are Tom Koe-neck, Rog-er House and Mike Terry. ## Deer Season Half Over In Illinois

Colorfully dressed hunters in 71 counties waited to see a white-tail within range of their guns last Friday, Nov. 21, and for the

ling for the starting jobs at the guard position are Glenn Boyce, Bob Caputo, Joel LaMeer, Doug Paddock, Ken Plants, Lonnie Smith and Kevin Sheehan.

Leading the cheers for the blue and white this season will be Nancy Sluppick, Judy Wilton, Darlene Richardt, Lori Lowrey, Theresa Burnett and Judy Miller while the eighth grade cheer-leaders are Jodi Biller, Cindy Beck, Debbie Claffy, Donna Cis-kowski, Charlene Burnett and Janis Dohse.

two days thereafter. The deer season was on.

The second portion of the season, beginning Dec. 12 and ending Dec. 14, will offer those hunters who want trophy-less their first time out a second chance. Only one deer a year may be killed by a hunter in Illinois.

Jack Calhoun, Virginia, Ill., leader of the deer project for the Department of Conservation, said the harvest may be higher than it was last year when 8215 white-tails were bagged by 48,976 gun hunters.

"We have good deer crop throughout most of the state," Calhoun said. "Much of the corn has been picked and a couple of hard frosts have withered the vegetation in the woods. Pros-pects look good."

## Violators Need To Have Cash

"Anyone who violates game, fish, boating or forestry laws or who disregards state park regu-lations after Dec. 1 had better have his wallet with him."

This statement was made by John Rebuffoni, chief law en-forcement officer for the Illinois Department of Conservation. Re-buffoni explained that persons cited for violations of conserva-tion rules after Dec. 1 will be required to post a cash bond im-mediately.

The arresting officer issues a citation and the person cited places a cash bond in an envelope addressed to the circuit clerk of the county where the violation occurred. The officer, in the presence of the officer, then drops the envelope in the nearest U. S. mail collection box. The officer does not handle the money.

The bond, which may be from \$25 to \$100 depending on the vi-olation, must be in cash. Checks are not acceptable.

## "Turkey Day" Classic In Barrington

On Wednesday evening the An-tioch Sequoits travel to Barrin-gton, playing Barrington at 8:30 p.m. The tournament is a round robin affair, with each team play-ing each of the others. The two other teams entered are Munde-lein and Holy Cross of River Grove. There is a sophomore tourney, too.

The schedule for the tourna-ment is as follows:
